Whether you are looking for a secluded, romantic dinner for two or hosting an occasion for over 100 guests, MÉTIS in Kerobokan offers a variety of fine dining opportunities to suit your tastes.

The Bale provides a secluded experience for your romantic dining pleasure with absolute privacy. Enter along a candlelit path into your own private paradise where you and your significant other will enjoy the sounds of nature and intimate company without distraction.

As you float amidst ponds of lotuses and lilies, MÉTIS's attentive and considerate staff will cater to your every need. Fine linens and crystal complement the beautiful natural surroundings for an atmosphere extraordinarily attuned to the best Bali has to offer.

For a small group of 6 to 10, MÉTIS offers the Wine Cellar, featuring a degustation menu of six courses tailored to your palate. Guests enjoy a selection of wines from the Wine Cellar's extensive offerings—which range from the classic to contemporary, the Old World to the New—thoughtfully paired to complement each course.

Special occasions call for an air of celebration, and MÉTIS caters to your needs with The Private Dining Room. This elegant event space accommodates 25 to 120 people in a room overlooking rice paddies and the exclusive MÉTIS patio.

Your function will follow your bliss in personalized style and comfort with a private-function space, fully air-conditioned area, private bar, kitchen and restroom. The MÉTIS staff will arrange the dining room layout to meet your needs with long tables, round or square.

Chef Doudou will customize your event's menu based on his mastery of French Mediterranean cuisine. Whether your special function is a business meeting, theme dinner, pre-wedding celebration, product launch, MICE function or informal cocktail party, MÉTIS's experienced and attentive staff will take pride in creating an atmosphere which caters to your success.
